

## We've Trampled Down the Prices!

Would rather lose now than have an elephant on our hands when spring comes. Before the end of each season we clean out our stock. At the opening of every season we fill up with the newest goods. This is the store for newness.

The City Council will be asked at its next meeting to grant permission for the removal of the Pocahontas Basin to the Jamestown Exposition. The basin is a large quadrangular stone on the northern abutment of the Pocahontas Bridge across the Appomattox River in this city, with a remarkably symmetrical bowl followed out in its center, and according to tradition, was used by the famous Indian princess for bathing.

A meeting to make arrangements for instituting a council of the Catholic Knights of Columbus in this city, will be held to-morrow morning at St. Joseph's Catholic Church after the late services, the requisite number of prospective members having been obtained. ### SIX HUNDRED THOUSAND FIRE IN COTTON MILLS

DOVER, N. H., Jan. 26.—Mill No. 1 of the extensive plant of the Cocheco Manufacturing Company, manufacturers of cotton goods, in this city, was burned to-day, causing a financial damage estimated at between \$500,000 and \$600,000 and possible loss of life. The fire, the origin of which is not known, broke out after the 500 operatives had begun work, and spread very rapidly. Several of the workmen were injured, and some had been overcome by smoke in the burning building, and the firemen immediately began search, which was not until flames drove them out of the walls.

**Argued and Submitted.**  
The argument in the injunction proceeding in the matter of the Franklin Trust Company trustees, vs. the Hampton Pure Water Company, before Judge Edmund Waddell, Jr., in the United States Circuit Court, was concluded yesterday evening.

## THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes kidney trouble is permitted to continue, many fatal results are sure to follow.

Your other organs may need attention—but your kidneys most, because they do most and should have attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince any one.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable curative power has been proven in thousands of the most distressing cases. If you need a medicine, you should have the best.

Wilson, Conn., Feb. 15th, 1904.  
Dear Sirs:  
"A man could not be in any worse condition than I was with kidney and bladder troubles. I doctored with several good doctors, and a physician told me I had Bright's Disease, and that I would not live over six months. Another told me it was gall stones. I had severe pains in my kidneys all the while, could not sleep over six months. I could not lie down without some one helped me up; back was weak and painful; my urine was as thick as cream, and it would send me something dreadful. I had to get up many times in the night to urinate."

"I took Swamp-Root, and to-day I am a well man, and never felt better. All of my troubles have gone, and show no signs of returning. I take my oath, that Swamp-Root put me where I am to-day, and I can prove it by acquaintances."

Very truly yours,  
E. H. RAND.

Swamp-Root is not recommended for EDITORIAL NOTE.—In order to prove the wonderful merits of Swamp-Root, we have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands upon thousands of testimonial letters received from men and women who found Swamp-Root to be the remedy they needed. The value and success of Swamp-Root are so well known that our readers are advised to send for a sample bottle. In sending your address to Dr. Kilmer & Co., Binghamton, N. Y., be sure to say you read this testimonial in the Richmond Sunday Times-Dispatch. The genuineness of this offer is guaranteed.

## HEARST INVITED TO ADDRESS LABOR MASS-MEETING HERE

Committee Authorizes Secretary to Ask New Yorker to Come to Richmond.

The committee appointed by the Central Trades and Labor Council to arrange for a mass-meeting in the interest of the proposed labor temple met Friday night in Sparks's Hall, and organized, with Mr. J. H. Coffin, as chairman, and Mr. Sidney Cates, secretary.

After much discussion of plans the secretary was authorized to write the Hon. William Randolph Hearst to address the mass-meeting. Aside from the gentleman from New York it is proposed to invite several local speakers to be present. Those suggested are Governor Swanson, Hon. Allen Caperton Braxton, and Hon. George C. Calhoun. Mayor Carlisle McCarthy will be asked to preside at the meeting, which will be held in the Academy of Music.

There seems to be little doubt that the project for the establishment of a temple for the purpose of housing the labor unions in cities much smaller than Richmond have been erected, and many benefits reaped therefrom. The committee will meet again February 2d, when final arrangements for the meeting will be submitted to the Trades Council.

The fact that Mr. Hearst is to speak in Washington early in February, to a gathering of labor people, has been an incentive to the members of the committee to ask him to present his views to the Richmond people.

## Bad Case of Eczema.

Druggist Advised the Proper Medicine—Another Complete Cure.

It makes no difference how severe or long-seated a case of eczema or other blood disease may be, Hood's Sarsaparilla cures just the same.

It has the greatest record of any medicine ever made. Has received the largest number of testimonials—40,366 in two years.

It is the one above all others for you to take if you need a thoroughly good medicine.

Read the following from Mr. C. C. Bailey, a well-known pump manufacturer, of Champlain, Ill.

"When I asked my doctor what that eruption was which came under my right ear, and which had refused to yield to home treatment, he said it was a bad case of eczema, and that it would take a long time to cure it. Another doctor said it was about the worst case he ever saw. I followed their advice for 15 months, and still the eruption would not heal."

"One day I asked the druggist if he had anything he thought would do the good. He said if anything would cure me it was

Hood's Sarsaparilla, and advised that I try three bottles, watch the results, and be governed accordingly. There was such decided improvement at the end of the first bottle that I bought a fourth. I am now cured."

The supervisors declare there is no authority for employing the deathwatch, and the action was only following out a precedent.

### Who Has Biggest Hogs?

(Special to The Times-Dispatch.)  
AMELIA, January 26.—For some time there has been an interesting rivalry among some of the citizens here as to who could kill the heaviest hog. Recently The Times-Dispatch printed an interesting account of nine hogs, about fifteen months old raised and killed by Mr. O. S. Allen and dressing 2,700 pounds. The heaviest of these weighed 450 pounds. During this week another citizen here, Mr. W. T. Robertson, has killed three hogs eighteen months old, weighing respectively, when dressed, 450, 400 and 400 pounds. These hogs were kept in a small lot and fed well on grain and ship-stuff, and they were a sight to behold.

Good stock can be grown in Amelia, as well as maximum crops of grain and grass. The enterprise and push and determination to win is necessary.

### Could Not Secure Jury.

(Special to The Times-Dispatch.)  
AMELIA, January 26.—The rain and cold this morning caused a slim attendance at court. The cases of Roy Bland and Capers Williams for breaking into and robbing a house belonging to Mr. Borden, at China, were taken up, and Williams was given thirty days in jail and Bland five days. After considerable effort it was found impossible to secure a jury for the trial of Overton Jackson and George Goode for shooting and killing William Wilkerson during Christmas, and court was adjourned till Monday.

### Elect New Members.
